

## Hear you on the radio

Every night I hear you on the radio  
I don't know this woman  
whispering in my ears each night again (I know that)  
every night I hear you on the radio  
I don't know how you look like but I'm sure  
that I will fall in love with you  
I'll try to get in touch with you  
I will try to get in touch with you

Every night I see you on the TV screen  
I don't know the answer but I'm sure  
that I will fall in love again  
every night I see you on the TV screen  
love is just a thing that I'm supposed to deal with  
but now you're gone I try to carry on  
since you've been gone I try to carry on

I can see it all now from a different point of view  
everything was easy when I fell in love with you  
but now you're gone I try to carry on  
since you've been gone I try to carry on
