

Sweetheart of mine

Sweetheart of mine

I can still see us walking round that pond that night
The rain was dripping I held you tight
And the kids were making their first experiences in love

Sweetheart of mine

I can still try to explain to you
Those hard times I'm just going through
And I don't know if I will ever make it right

The rain starts dripping down on my head
It makes me feel alright, it makes me sad
But time is just a thing that never ends

Sweetheart of mine

I can still see us walking across the fields
The moon was shining none ever yields
And the kids were making their first experiences in love

Sweetheart of mine

If I'll ever find my way back home
You're the first one to know
But I don't know if I will ever make it right

The rain starts dripping...
