

## **Stop and go**

That certain smile of you  
Is still on my mind  
Wherever I will go  
I'm not sure that I will find

That smile you gave to me  
When we were in your town  
Touring through the country  
West and eastbound

Stop and go  
Stop and go  
Stop and go  
Stop and go

I've seen many faces  
Don't know if they were black or blue  
If I'll ever fall in love  
I'll fall in love with you

I'm a lonesome man  
Facing the crowd  
Looking for that smile of you  
I am so curious about

Maybe I will see you  
In some other town again  
Certainly I will point to you  
My love won't be in vain
